**Re: REACH (EU Registration, Evaluation, Authorization and Restriction of Chemicals)**

To whom it may concern: -

Canadian Shunt Industries Inc. products (D.C. Ammeter Shunts, Telecom Fused Disconnects and Knife Switches), to the best of our knowledge, do not contain any of the 241 SVHC (Substances of Very High Concern) except Lead\*:-

As listed at <http://echa.europa.eu/candidate-list-table>

\*Parts made of C360 brass contain 2.5-3% lead (Pb)

This statement is based on information from our suppliers.

Signed,

A handwritten signature in blue ink, appearing to read 'Marc Matthews'.
